It's important to know

- You will receive the manual in PDF.
- You should not attempt to teach the Rose Meditation.
(only to your children under 14 years old).
- If you would like to become a Rose Meditation Facilitator it is necessary to follow a training path through Aura Reading.
- The Rose Meditation cannot be applied to other people.

HISTORY

Aura Reading emerged in the 1960s, in California, channeled by a north American called Lewis Bostwick. Founder of the Berkeley Psychic Institute and the Church of the Divine Man, he channeled and systematized the techniques and tools sent by the angels, to assist in the process of evolution of humanity.
